DETROIT SECURES 3RD SACKER JONES FROM 'FRISCO CLUB

San Francisco, July 21.—Bobbie Jones, 3rd baseman of the San Francisco club of the Pacific Coast League has been sold to the Detroit American League club according to an announcement made here today. As part payment, San Francisco receives pitcher Cave, a left-hander, who is expected here Saturday.

FEDERALS AFTER MATTY TO MANAGE TEAM IN NEW YORK

Chicago, Ill., July 21.—Plans of the Federal league for the invasion of New York next year were learned yesterday. Harry Sinclair, who built the grandstand at Newark and bought the Indianapolis franchise, will move the Newark team to New York, using the grandstand at the New Jersey club for Sunday baseball. Mr. Sinclair is the president of the New York club, and Robert B. Ward will be associated with him.

Chief Bender Praises Federal Leaguers For Developing Youngsters

(Sporting News.) Chief Bender has permitted himself to be interviewed on the Federal League, and it seems that the Indian finds much to please him in the outlay of money to which he now owes allegiance, writes Harold Wilcox in the Detroit Times.

"One of the most impressive points in the Federal League," declared Bender, "is the clever, though expensive, way in which this circuit is developing young stars of its own."

The veteran pitcher went on to explain the unexpected trait. His idea, as gathered from his comment, is that the outlays are using the veterans secured in raids on the majors, for the purpose of coaching and developing the youngsters, and that this method is proving highly satisfactory. The probability of aging players, who jumped in numerous instances in order to get long time contracts which would prolong their fading careers, spending a great deal of time in helping youngsters grab their meal tickets is a little fishy, not to say pictorial.

Some Fans Look On Darkest Side of Our National Pastime

We met up with a man the other day who is probably the leading example of sport world pessimists, who read all the goings on about sport, then talk themselves out of breath whenever they find an item that casts reflection on the honesty of any one branch of athletics. The recent by Cobb charges that some team was cheating by stealing signals, caused the outbreak, writes Bill Spargo in the Boston Traveler.

"You can't tell me," he remarked, "that this professional baseball isn't fixed all the time. I like to watch the kids play on the lot. They're out there for the glory, and they don't care a hang about the money side of the game. These professionals go out there to earn their money. It's money all the way through, and they're looking out to get the most coin, regardless of how they get it. Business men aren't investing fortunes without knowing that they'll get their turn to win at some stage."

That is only a small section of his layout, and after he paused we shot in a query: "Do you attend the big league games?"

"Attend them? I should say not. I haven't been to either of the Boston parks in the last 14 years. Furthermore, I'm not going."

Whereupon we replied: "Well, then you're well qualified to speak on the subject, aren't you?"

And we couldn't help but think that if he had a bank roll to back him up, he'd make a great reformer.

The Bank of England released \$110,000 gold for miscellaneous purposes.

NORMAN S. TABER RUNS FASTEST MILE EVER RECORDED BY A MAN

NORMAN S. TABER

On the track of the Harvard stadium Norman S. Taber, formerly of Brown university, now a Rhodes scholar at Oxford university, ran a mile in 4 minutes 12.3 seconds. This is the fastest ever accomplished by a human being and beats all previous records of the world, both amateur and professional. The former amateur mark was 4 minutes 14.5 seconds by John Paul Jones of Cornell university in 1913, and the professional figure was 4 minutes 12.3 seconds by W. G. George in 1913. Taber beat George's mark by three-twentieths of a second. For the entire journey Taber traveled at an average of twenty-two feet and a fraction per second. In the accompanying illustration Taber is shown crossing the line in one of his first miles.

MEYERS FAILS IN PINCH AND CARDS WIN FROM GIANTS

New York, July 21.—With an excellent chance to gain on the Robins and the Chicago Cubs, Manager McGraw's Giants fell down at the Polo Grounds yesterday when they lost the fourth game of the series to the Cardinals by 3 runs to 1, and are now tied with St. Louis and Pittsburgh for fourth place. With the bases filled in the ninth inning yesterday, one run in, two out and a hit needed to win the game, Big Chief Meyers ended the game by forcing Eddie Grant at third.

The ninth inning was the most exciting of the conflict and was the only season in which the Giants had a chance. Up to then Griner, the blond-haired spit-ball artist of the Cards, had allowed the Giants only three hits, scattered over as many innings. Only one man managed to reach second base and this was Griner, who stole second in the third inning after hitting safely into left field with two out.

While Griner was holding the Giants safe the Cards were picking away at the shoos of Rube Marquard. They did not score until the sixth, but they were always threatening up to this period, filling the bases in the first inning on three hits.

FANS SORE WHEN DUNDEE VS. RIVERS FIGHT POSTPONED

New York, July 21.—On account of the small number of spectators at Ebbets Field last night, the ten-round boxing bout between Johnny Dundee and Mexican Joe Rivers was postponed until Friday night. The crowd of about 2,000 spectators expressed their disapproval, and many of them refused to stay to see the two ten-round bouts the management furnished free. Rain checks given out will be honored at the gates on Friday night.

Hundreds of men remained in the rotunda of the hall park and demanded their money back. The business of giving out the rain checks was poorly managed, and some of the spectators were treated with little consideration. It was not until Charles H. Ebbets, owner of the park, was informed of the condition of affairs that the postponing spectators were finally calmed.

Up to the time that the show began there had been no rain at Ebbets Field, but it showered in other parts of Brooklyn and kept down the attendance.

The bout between Willie Jones and Eddie Wallace was a hummer, and full of action from the start. The referee stopped the fight in the sixth round, when both of the youngsters had pummeled each other soundly and were covered with blood.

M'LEAN GETS HIS NOTE OF RELEASE FROM THE GIANTS

New York, July 21.—John Bannerman McLean, alias Larry McLean, the veteran catcher of the Giants, was yesterday handed his unconditional release by President Ebbets. Long Larry was serving a sixty days' suspension following his "leapfrog" argument with Dick Kinsella in St. Louis, which happened while Larry was serving a ten days' suspension because of disobeying training rules.

McLean was suspended at this time so that "Babbling" Babbington, formerly of Brown University, might have a regular place in the Giants score card. "Bab" has been with the Giants ever since the end of the college season, but was only eligible to play on the Long Branch detail because of the twenty-one limit. Babbington may replace Snodgrass in center field, as "Snow" is going after Casey Stengel's record and is averaging two hits a week.

ANNIVERSARIES OF RING BATTLES

1819.—Dan Donnelly defeated Tom Oliver in 34 rounds at Crawley Hurst, Eng. This battle between the great Irish champion and the celebrated English fighter of nearly a century ago attracted one of the biggest crowds that ever witnessed a prize fight. It was a crowd of dead game sports, too, and many a man wagered everything he possessed on the result. If the tide of battle had gone against the Irishman, scores of Hibernian fans would have had to swim home. It is estimated that not less than half a million dollars was bet on this contest. The Irishmen, of course, placed their money on Dan, but they found ready takers in the supporters of Oliver. Dan had previously whipped George Cooper and other good Englishmen, as well as cleaning up all the heavyweights of the old sod. Oliver also had a great record, but after losing to Donnelly he was defeated by Ned Painter, Tom Spring, Tom Hickman, Bill Abbott and Jem Turner.

1867.—Tom Allen landed in New York, later becoming champion of America.

1893.—Dick O'Brien knocked out George Labianche in 3rd round at Lewiston, Me.

MIDSUMMER SHEEP ROAST OF SEVENTH DISTRICT DEMOCRATS ON AUG. 8.

The annual midsummer sheep roast and outing of the Seventh District Democratic club will be held on Sunday, August 8, at Forest Grove. Thomas Reddy and Thomas Lovely are the committee in charge and they already report a large sale of tickets. The annual outing of the Seventh District club usually attracts a larger gathering of politicians than any other similar event.

GIANTS HERE AUGUST 15 AND CLEVELAND COMING LATER

Snappy Snapshots Of Interest To Those Who Follow Sporting Events

(By Wagner.)

The New York Giants have agreed to play an exhibition game here with the Bridgeport club at Newfield park, August 15. Secretary Reddy has been negotiating with the Giants for a long time. He tried to get them for next Sunday but on account of a double header scheduled for Saturday, McGraw did not want to work his athletes on the following day. It is several years since the Giants have played here and they should prove a big attraction.

The Cleveland American leaguers have also promised to show their talents at the City. Lee Fohl, who managed the Waterbury club last season, is running the Cleveland club. There are several former Waterbury stars in the lineup, including Pitcher Guy Morton and Outfielder Smith. The Indians will be here on their next eastern trip.

The Boston Braves appear to have started their long climb toward the top. They have been doing well on Cincinnati and if they can continue the pace against stronger clubs they will soon be snapping at the heels of the leaders in the National league race. Meanwhile the Phillies must not be overlooked. They have been cleaning up the Cubs and Yankees' defeat of Freshman's men gave the Phillies a better hold on first place.

Two men were put out at the plate in one double play at Ebbets Field, Brooklyn, yesterday. Johnston of the Pirates was on third, Hinchman on first and nobody out when Hans Wagner grounded to Shortstop O'Mara of Brooklyn. The latter threw home and while Johnston was being run down, Hinchman tried for third and Wagner for second. When Johnston was put out, Catcher Miller of Brooklyn threw second to nail Wagner and Hinchman started for home. A return throw

YANKEES BUY EDDIE BARNEY, FORMER STAR HARTFORD PLAYER

Have Secured Best Pitcher in Three Leagues and Also Outfielder Layden.

New York, July 21.—Eddie Barney, crack outfielder of the Jersey City Skeeters, yesterday was added to the New York Yankees' roster. Barney was a rising star in the Barrow League, and recently four scouts looked him over on the same day. The Red Sox, Braves, Tigers and Brooklyn were all after the player, but the Yankees bid higher than the rest and won him.

Barney left for Chicago last night, where he will join the Yankees. He will be put to work immediately, and will be stationed in left field, so that Hartzell may take a well-needed rest.

Eddie is a buster, and ranks high among the International League thumpers. He hit 325 in fifty-six games, and ranks third among the players who have participated in more than fifty games. Last year, playing for Hartford, he led all Eastern Association batsmen who took part in over one hundred games.

Ray Demmitt, the former White Sox and one-time Yank, who recently played with Toronto, will replace Demmitt in the Skeeter outfield. Jersey City also has been promised one other player from the Yankees.

Another purchase recorded by the Yankees yesterday is Outfielder Eugene Layden of the Columbia South Atlantic club.

The Yankees are going into the market heavily for talent. So far they have purchased the leading pitchers of the American Association, Western League and Texas League. The twirlers are Dan Tipton, of Indianapolis, George Morrige, a left-hander, of St. Paul, and a blind-batting high for pitcher Miller of Montreal, the crack finger of the Internationals, as well as Outfielder Miller, a .300 batter, with the Mobile club of the Southern association.

FED CROWDS IN ST. LOUIS BETTER THAN OLD LEAGUE

St. Louis, Mo., July 21.—The Yankees participated in a regular stage and story book ball game with the Browns yesterday afternoon and came out on the bottom with the score 3 to 2. The Browns won in the ninth inning just as all were settling back in their seats and resigning themselves to late suppers.

Carroll and Brown pitched for the Yanks and did nice work throughout. It was not his fault that New York lost. The much-touted Sisler was the Brown's nomination for the mound. Sisler was chiefly responsible for the loss of one of yesterday's games, and was so anxious to get back and show those Yanks that they really did not have anything on him that Branch Rickey listened to his pleadings and gave him another chance. After hitting Doc Cook, the first man up, and walking three more in the first inning, he was withdrawn and Carl Wellman was assigned to pitch. The game at once settled down to a duel between Wellman and Brown. Neither one really had any edge on the other.

The crowd at the game was one of the smallest ever seen on a clear day in St. Louis, less than 400 fans being present when "Play Ball" was called. Virtually all the patrons were in the grand stand, not more than twenty-five persons being in the bleachers. In contrast with this, the St. Louis Federals and Baltimore played to 7,000 in a double-header.

The series with the Yanks has been the first one in the history of St. Louis in which outlaw ball has outdrawn legitimate ball, and the American League magnates were in no cheerful frame of mind last night. The Yanks played to a crowd in only one game, Monday. And, as bad luck went and have it, that was the day on which the Browns played a game weird enough to drive away the fans for evermore.

JULY WEDDINGS

SCHOTT-DORIS

Because of the popularity of the principals there is much interest in the wedding tomorrow morning, of Miss Mabel Doris, daughter of Mr. and Mrs. James H. Doris, of 39 Franklin street, and Dr. Edward H. Schott, of Cohasset, Mass., formerly connected with St. Vincent's hospital of this city. The ceremony which is to be a very affair will be postponed in St. Augustine's church by the Rev. James B. Nihill, P. R., and will be witnessed by a congenial gathering of relatives and close friends of the young people. Miss Doris will wear an attractive costume of dark blue tulle silk, a hat of blue maline and a corsage bouquet of orchids and lilies of the valley. Miss Mabel Doris will be her sister's maid of honor and her gown is to be of blue crepe meteor with rose trimmings and her corsage bouquet of pink sweet peas. Dr. Schott has chosen Dr. Pinney of Boston, Mass., as his best man. A wedding breakfast will follow at the home of the bride's parents, to which only the immediate families have been bidden. The young couple are to leave during the afternoon on a wedding trip through Massachusetts. They will reside in Cohasset where Dr. Schott has built up an extensive practice. Miss Doris who is an exceptionally popular young woman enjoys a wide circle of friends who have feted her much since the announcement of her engagement. She is a member of the Bridgeport Art league. During his two years residence in this city the groom also made many friends who have heartily extended their congratulations to him on the wedding.

John B. Herreshoff, president of the Herreshoff Manufacturing Co., yacht builders, died at Bristol, R. I., aged 77. He had been blind from the age of 15.

STERLING ALE

Why should n't Sterling be good?

FOR two generations we have brewed ale. Never a brew to compete in price. Every brew to compete in quality. If long experience and high aim count—and they count in brewing just as they count in your line of business—

Why should n't Sterling be good?
